## NOTICE OF HEARING OF SPECIAL ASSESSMENT ON THE MUD CREEK DRAIN

**M16-00**

This is your notice of assessment for maintenance costs incurred by the above drainage District. Notice is hereby given that on **Thursday, August 15, 2019, from 9 AM until 5 PM** at the Drain Commissioner's office, 707 Buhl St., Mason, Michigan, the ESTIMATED apportionments for the costs will be available for review. You may appear to review or appeal the assessments in person on the Day of Review or by letter postmarked on or before **Thursday, August 15, 2019.** Appeal of assessments on the above drainage district can be made to the Ingham County Probate Court within 10 calendar days after this Day of Review. Ten days after the Day of Review, the maintenance assessment roll will be finalized and the amount of the apportionment will be confirmed. At the meeting to review the apportionment of benefits, I will have the tentative apportionments against parcels and municipalities within the drainage districts available to review.

Any drain assessments against land will be collected in the same manner as property taxes.

For Assessments to be collected in installments, the Drain Code (Act 40 of 1956, Sec. 154 [e]) provides that the assessment may be paid in full with any interest to date at any time and thereby avoid further interest charges. Please visit us on the Web at <http://dr.ingham.org> – click on "Drain Assessments FAQ" for answers to most assessment questions.

Proceedings conducted at the day of review are subject to the Michigan Open Meetings Act. Persons with disabilities needing accommodations for effective participation should contact Patrick E. Lindemann, the Ingham County Drain Commissioner, at (517) 676-8395, or through the Michigan Relay Center at 711 (TTY) at least 24 hours in advance of the meeting to request mobility, visual, hearing or other assistance.
